BRIEF HISTORY AND REPORT OF EVANGELISTIC OUTREACH MINISTRIES

Evangelistic Outreach Ministries was incorporated as a religious nonprofit corporation in the state of Ohio on August 1, 1972. The ministry was approved as a tax exempt corporation by the Internal Revenue Service July 25, 1973.

Evangelistic Outreach is an interdenominational organization dedicated to the cause of “reaching the unreached” for Christ through radio, television, literature, revivals, crusades, special missionary projects, feeding hungry children, etc. And further to advance the cause of evangelism and Christian education; to proclaim the Gospel of Jesus Christ; to seek the salvation of souls and to promote, cooperate and fellowship with all such churches and religious bodies having the same general objectives. And to promote Biblical, fundamental Christianity and to exalt the standards of Christian living in the community and to the world.

During the past year Evangelistic Outreach has:

- * Witnessed 1,155 public professions of faith making a total of **77,635** in the history of the ministry.
- * Conducted 46 revivals, crusades and camp meetings.
- * Conducted 337 additional special evangelistic services.
- * Conducted meetings in 107 different churches and schools.
- * Produced 260 -15 minute radio broadcasts.
- * Produced 52 - 30 minute television broadcasts.
- * Provided through correspondence, free Bible courses to over 329 active students.
- * Provided funds to train preachers and missionaries here in America to enter various fields of ministry and full time Christian service.
- * Maintained a website to post sermons, send information and to update supporters. There are also over 1,447 audio/text sermons available free of charge as a help to preachers, missionaries and others who minister all around the world. A total of 1,066,066 sermons have been downloaded worldwide at no charge.
- * Maintain an internet channel with a total of 1,229,754 views of our weekly television programs.
- * Gave partial support to a local church missions outreach project to provide for physical and spiritual care of the needy in the USA.
- * Provided food baskets for families and gifts for children here in the USA. A total of **7,554** families, elderly and children received varied assistance in the month of December alone.
- * Gave partial support to mission in Kenya that gives temporary refuge to abandoned babies in crisis at the Baby Centre. The Centre is now housing between 50 - 70 babies. They seek permanent placement with Christian families in Kenya through adoption.

- * Gave partial support to the Good Shepherd Fold in East Africa who now have 80 children in their care. Many of these children are physically challenged. They also have a Primary School with over 400 students enrolled and it is a tremendous outreach in their community. The medical outreach clinic now sees patients weekly. It takes a staff of 80 to maintain the ministry operations there now. The Farm Program helps provide food for all children and staff everyday.
- * Gave partial support to ministries which assist people with drug, alcohol and substance abuse and shelter children in crisis as a result of these addictions.
- * Provided partial support to other evangelistic ministries with like missions and/or goals.
- * Our television and radio is now aired on 30 stations. Also our programs can be downloaded at our website and viewed world-wide free of charge.
- * Continued support to Haitian pastors and missionaries who are planting churches in that nation along with a bakery to help feed orphans for free and provide jobs for church members.
- * Distribution of Bibles, literature and sermons that are sent around the world with a total value of **\$227,350**. All materials are sent without cost.
- * Helped with funding and/or to build 2 new churches in India. Also helped with other church expansion projects.
- * Provided funding for 23 wells to be dug in villages in need of clean water.
- * Funded Bible Institutes to train pastors and evangelists to plant churches in India.
- * Gave partial support, materials and/or ministry assistance to native pastors and/or missionaries in **63** different countries.
- * Gave financial assistance to mission churches planted in unchurched cities in the U.S.
- * Supported widows in need of food, medicine, finances and temporary housing expense here in the U.S.
- * Provided funds for transportation for pastors/evangelists in Malawi, Philippines and India. Supported construction of widows houses in Haiti. Helped with funds to place another library in Philippines for ministers. Supported mission trips to Kenya, Costa Rica, Belize and Nepal.
- * Helped with hurricane/flood relief in Texas and Florida. Provided funds and/or supplies to help a cooperative effort to provide area with five semi-trailer loads of items and materials for cleanup, repairs and rebuilding. Also provided funding to two local churches to help with repairs in Texas and Florida.
- * 100 % of all support for missionary projects is given to the designated cause without any administrative or handling costs. The ministry assumes all fund raising costs and does not deduct any amount from the missions giving received. Our goal for the coming year is to continue to expand, as finances permit, our many programs and projects of missionary evangelism. We are a member of the National Religious Broadcasters Association. This ministry is governed by a Board of Trustees to maintain accountability and ensure the highest possible Christian ethics while pursuing the mission of ministry.
