

- * Gave partial support to the Good Shepherd Fold in East Africa who now have 68 children in their care. Many of these children are physically challenged. They also have a Primary School with over 360 students enrolled and it is a tremendous outreach in their community. The medical outreach clinic now sees patients weekly. It takes a staff of 80 to maintain the ministry operations there now. The Farm Program helps provide food for all children and staff everyday.
- * Provided partial support to other evangelistic ministries with like missions and/or goals.
- * Our television and radio is now aired on 32 stations and 2 national networks. Also our programs can be downloaded at our website and viewed world-wide free of charge.
- * Published a new devotional book with daily Bible reading guide entitled, "Fresh Oil."
- * Continued support to Haitian pastors and missionaries who are planting churches in that nation along with a bakery to help feed orphans for free and provide jobs for church members.
- * Distribution of Bibles, literature and sermons that are sent around the world with a total value of **\$195,959**. All materials are sent without cost.
- * Helped with funding and/or to build 2 new churches in India. Also helped with other church expansion projects.
- * Provided funding for 33 bore wells to be placed in villages in need of clean water.
- * Funded construction of a Bible Training center to train pastors and evangelists to plant churches in India. Also, provided funding to build Nagaland Bible College and Training Center. Currently this building is under construction with dedication of facility planned by end of year. This facility will train Christian workers from India, Nepal, Bhutan, Tibet, Myanmar, Cambodia, Laos, Thailand, Sri Lanka, Philippines and the U.S.
- * Provided funds for construction of 3 more churches overseas.
- * Gave partial support, materials and/or ministry assistance to native pastors and/or missionaries in **72** different countries.
- * Gave financial assistance to mission churches planted in unchurched cities in the U.S.
- * Supported widows in need of food, medicine, finances and temporary housing expense here in the U.S.
- * 100 % of all support for missionary projects is given to the designated cause without any administrative or handling costs. The ministry assumes all fund raising costs and does not deduct any amount from the missions giving received. Our goal for the coming year is to continue to expand, as finances permit, our many programs and projects of missionary evangelism. This ministry is governed by a Board of Trustees to maintain accountability and ensure the highest possible Christian ethics while pursuing the mission of ministry.
