BRIEF HISTORY AND REPORT OF EVANGELISTIC OUTREACH MINISTRIES

Evangelistic Outreach Ministries was incorporated as a religious nonprofit corporation in the state of Ohio on August 1, 1972. The ministry was approved as a tax exempt corporation by the Internal Revenue Service July 25, 1973.

Evangelistic Outreach is an interdenominational organization dedicated to the cause of “reaching the unreached” for Christ through radio, television, literature, revivals, crusades, special missionary projects, feeding hungry children, etc. And further to advance the cause of evangelism and Christian education; to proclaim the Gospel of Jesus Christ; to seek the salvation of souls and to promote, cooperate and fellowship with all such churches and religious bodies having the same general objectives. And to promote Biblical, fundamental Christianity and to exalt the standards of Christian living in the community and to the world.

During the past year Evangelistic Outreach has:

- * Witnessed 1,389 public professions of faith making a total of **86,655** in the history of the ministry.
- * Conducted 46 revivals, crusades and camp meetings.
- * Conducted 299 additional special evangelistic services.
- * Conducted meetings in 111 different churches and schools.
- * Produced 260 -15 minute radio broadcasts.
- * Produced 52 - 30 minute television broadcasts.
- * Provided through correspondence, free Bible courses to over 100 active students.
- * Provided funds to train preachers and missionaries here in America to enter various fields of ministry and full time Christian service.
- * Maintained a website to post sermons, send information and to update supporters. There are also over 2,167 audio/text/video sermons available free of charge as a help to preachers, missionaries and others who minister all around the world. A total of 1,663,112 sermons have been downloaded worldwide at no charge. The ministry is reaching 102 countries with the Gospel!
- * Maintain an internet channel with a total of over 2.78 million views of our weekly television programs.
- * Gave partial support to a local church missions outreach project to provide for physical and spiritual care of the needy in the USA.
- * Provided food baskets for families and gifts for children here in the USA. A record total of **10,084** families, elderly and children received varied assistance in the month of December.

- * Gave partial support to a mission in Kenya that gives temporary refuge to abandoned babies in crisis at the Baby Centre. The Centre now has 45 babies/children in residential care. They have rescued nearly 500 children now through their outreach.
- * Gave partial support to the Good Shepherd Fold in East Africa who now have 54 children in residential care. Many of these children are physically challenged with 66 children given therapy. They also have a Primary School that served 374 students and it is a tremendous outreach in their community. The medical outreach clinic treated over 1,000 cases. The Farm Program helps provide food for all children and people in need in the community. They have trained 300 farmers to date.
- * Provided partial support to other evangelistic ministries with like missions and/or goals.
- * Our television and radio is now aired on 31 stations and 3 national/regional networks. Also our programs can be downloaded at our website and viewed world-wide free of charge.
- * Continued support to Haitian pastors and missionaries who are planting churches in that nation along with a bakery to help feed orphans for free and provide jobs for church members. Provided extra support for relief in Haiti due to current economic crisis.
- * Distribution of Bibles, literature and sermons that are sent around the world with a total value of **\$152,539**. All materials are sent without cost.
- * Helped with funding to build one more church in Africa. Also, helped with other church expansion/repair projects.
- * Due to the support of our friends the ministry has provided funding for a total of 379 borewells in India. Each well has a dedication service when provided to a village and the Gospel is preached. Since this mission project began, a total of 1,729 have been saved through this wonderful project.
- * Gave partial support, materials and/or ministry assistance to native pastors and/or missionaries in different countries.
- * Gave financial assistance to mission churches planted in unchurched cities in the U.S.
- * Provided supplies and funding for flood victims in North Carolina, Tennessee, Virginia, Kentucky and West Virginia.
- * Helped support Christian education efforts here in the U.S. and assist young men and women further educational goals to serve Christ.
- * Supported widows in need of food, medicine, finances and temporary housing expense here in the U.S.
- * 100 % of all support for missionary projects is given to the designated cause without any administrative or handling costs. The ministry assumes all fund raising costs and does not deduct any amount from the missions giving received. Our goal for the coming year is to continue to expand, as finances permit, our many programs and projects of missionary evangelism. This ministry is governed by a Board of Trustees to maintain accountability and ensure the highest possible Christian ethics while pursuing the mission of ministry.
